Awards may be made to one contractor to serve both geographical locations or to two (2) contractors to serve one (1) geographical location each. Participants should also understand that **compensation/hourly rate has been pre-determined to be \$35.00 ~~47.00~~ per hour** by Human Services. The contract resultant of this solicitation shall be a requirement contract. No services shall be provided without a valid purchase order.

2.0 TECHNICAL SPECIFICATIONS:

2.1 BASIC DEFINITIONS / TASKS:

- 2.1.1 Staff Consultation – the process of case management during which a mental health professional or behavior interventionist confers with the teaching and/or social service staff to discuss child/classroom needs goals and progress as well as the design, implementation or modification of a Behavior Plan. Unit of service is 1 hour.
- 2.1.2 Classroom Observation – the activity conducted by a mental health professional or behavior interventionist of observing and describing the physical classroom environment and the child’s social interaction and behavior in the classroom to determine those factors that may be related or contributing to behavioral challenges exhibited by the child. Unit of service is 1.5 hours.
- 2.1.3 Behavior Plan – a series of strategies that are designed by the mental health professional or behavioral interventionist in collaboration with the parents and staff utilizing classroom observation, parent input, and staff input to promote positive changes in a child’s behavior.
- 2.1.4 Head Start – an early care and education service for children ages 0-5 that provides a comprehensive health, nutritional, educational, mental health, and social services curriculum. The program encourages the direct participation of parents in the development, conduct and direction of the program, which is designed to support and enhance the parental role.
- 2.1.5 Home Base Services – are a part of the Head Start program in which teachers regularly visit the home. A lesson is prepared with the parents to assist the family in meeting agreed upon objectives and provide support to the family in teaching children. Usually Home Base is provided to three-year-old children, where individual conditions warrant home teaching rather than center based teaching.
- 2.1.6 Behavioral/Mental Health Services – services provided by a mental health professional who is certified by the state or is under the direct supervision of a state certified professional (such as a licensed psychologist) and include: (1) assisting in the planning of behavioral health programs; (2) staff consultation and training; (3) observing children and consulting with staff in regard to those observations; (4) advising and assisting in the development of screening and assessment of children for behavioral health needs; (5) providing special help for children with atypical behavior;

(6) referring families to community mental health agencies and related resources; (7) advising and supporting parents, and: (8) referring children for diagnostic examinations to confirm that emotional problems do not have a physical basis.

- 2.1.7 Observations – an act of watching, listening and recording the observable, factual issues such as environment, child actions, staff actions and/or family actions that may be contributing to behavioral health problems in the home and/or classroom.
- 2.1.8 Case Management – a team approach with the mental health professional/behavior interventionist as the lead agent in designing strategies and providing support services to Head Start children and their families. Teams will include the contract staff, Head Start instructional staff, Head Start social service staff, the parent(s) and others as deemed necessary or beneficial.
- 2.1.9 Case Conference – a meeting that takes place with the mental health consultant/specialist, the instructional staff and/or the social service staff to discuss any ongoing issues of children’s behavioral health, make recommendations for services, review cases and/or review behavior plans.
- 2.1.10 Behavioral Intervention Services – services provided by a behavioral interventionist or other mental health professional and include: (1) conducting functional behavioral analysis; (2) designing effective behavior intervention plans; (3) overseeing the progress of the behavior intervention plans.
- 2.1.11 Behavior Interventionist - a professional with specific experience working with young children in an early education setting, conducting functional behavioral assessment, analyzing behavioral data and designing specific strategies for extinguishing inappropriate behaviors and promoting more positive and acceptable behaviors.
- 2.1.12 Functional Behavior Assessment – Assessment conducted by the behavior interventionist or mental health professional that analyzes behavior and its function for the child through the use of observation, parent and staff input and/or a standardized Functional Behavior Assessment instrument.
- 2.1.13 Behavioral Interventions – specific strategies developed by the behavior interventionist or mental health professional and used by the parents and/or staff to support the child in attaining a desired behavioral goal.
- 2.1.14 Parent Interview – a strategy composed of questions or a standardized parent reporting tool used by the mental/behavioral health professional to obtain information from the parent or custodial adult regarding family history, prenatal, medical, and developmental history and daily routines.
- 2.1.15 Referral – the arrangement of assistance for individuals to gain access to services through the provision of accurate and current information regarding appropriate resources and/or agencies
- 2.1.16 Behavioral Health Referral – the referral made by the Head Start staff for contract services with the mental health professional and/or the behavior interventionist.
- 2.1.17 Referral Date – the date on which the contractor receives the behavioral health referral signed by the parent.
- 2.1.18 Staff/Parent Training – a service which provides learning experiences which increase knowledge and/or skills of staff and/or parents related to mental/behavioral health issues facing families, young children’s social/emotional development and resources/services available to address these issues.

- 2.1.19 Special Rural Area Provision – allowance of contractor to receive special compensation providing services in areas of Maricopa County not frequently served because of distance. Expenditures must be approved by the Special Needs Coordinator before travel by the contract staff.

**Head Start may pay two (2) extra hours per item for travel to Wickenburg, Aguila, or Gila Bend. Head Start may pay one (1) extra hour per item for travel to Buckeye, Queen Cree/Higley, Williams CDC (in east Mesa), Taft (NE Mesa) or Cave Creek. No other areas, unless approved prior to travel will receive special rural area provision compensation.

- 2.1.20 Parent Consultation – a contact with a family or families that provides them with information regarding mental health issues in general or specific to a family's needs. Consultation may be conducted in the form of handouts given to the family or face to face communication. Unit of service is 30 minutes.

- 2.1.21 Mileage Reimbursement – mileage is paid for travel between centers **during work hours**. Mileage begins only after the first **Head Start destination** has been reached (may include the Head Start central office, the WSHS delegate office, the Grantee-operated office, or a Head Start family's home). Mileage ends at the final Head Start site. Reimbursable amount will be set by the current County rates in effect at the time of submission.

- 2.1.22 Missed Appointments – appointments set between the contract provider and the parent or staff but are cancelled by the parent or the staff member without providing the minimum notice required. Minimum notice is 12 hours prior to the appointment. Should a Head Start parent or staff fail to keep a set appointment with the contract provider without minimum notice of cancellation, the contractor may bill for 1 hour under Task A.

2.2 GOAL:

Head Start children and their families will have the opportunity for obtaining mental/behavioral health support services through a consultative method of service delivery that will direct children toward the attainment of positive social-emotional development.

2.3 OBJECTIVES:

- 2.3.1 To provide on-site consultation to identified classroom/home base teaching staff and family case specialists using case management strategies that support the development of collaborative relationships among Head Start staff, families, mental/behavioral health providers and the larger community.
- 2.3.2 To provide specific consultation to classroom staff and families in the form of information and on-site services to support staff and families in the reduction of children's inappropriate behaviors.
- 2.3.3 To support staff and parents in understanding mental/behavioral health issues in general and specific to their needs through training and one on one support.

2.4 TASK A – ADMINISTRATIVE SUPPORT & PLANNING:

REQUIRES a minimum of a one (1) hour monthly meeting with Maricopa County Human Services Department to:

- 2.4.1 Assess and plan training for teachers, family case specialists and/or parents
- 2.4.2 Provide continuous case review and assessment of ongoing mental/behavioral health services.

2.5 TASK B – CLASSROOM OBSERVATION:

A written observation of the Head Start classroom and/or specific child in the classroom to conduct a functional behavioral analysis. Observations are to be completed within 10 calendar days upon receipt of referral and will include, but not be limited to:

- 2.5.1 Observations of the dynamics and interactions of the child with the teachers, parents, and other children.
- 2.5.2 Observations of the teachers' interactions with the child.
- 2.5.3 Observations of the classroom physical environment and organizational arrangement.
- 2.5.4 Observations of the child's behavioral characteristics (temperament) which may be contributing to the child's difficulties in the classroom.
- 2.5.5 Completion of a functional behavior analysis for each problematic behavior.
- 2.5.6 Assessment of all observations and recommendations for meeting a child's social-emotional needs.

2.6 TASK C – STAFF CONSULTATION:

A minimum of (two) 2 case conferences per referral conducted by the contract provider and held with the Head Start team working with the identified children and families. Purpose of consultation is to:

- 2.6.1 Assess child/family strengths and needs related to behavioral health concerns.
- 2.6.2 Review with staff the functional behavior analysis and discuss possible reasons or causes for the child's behavior.
- 2.6.3 Review recommendations for meeting the child/family needs and strategies for reducing the incidence of child's challenging behavior.
- 2.6.4 Review/assess effectiveness of mental health interventions and/or behavior plans.

2.7 TASK D – BEHAVIOR PLAN DEVELOPMENT:

Development of a plan that includes goals for behavior and strategies for intervention created in collaboration with families and staff.

- 2.7.1 Using the classroom observation, the mental health professional and/or behavior interventionist together with staff and parents, will design a series of strategies to promote positive interactions between the child and others.
- 2.7.2 Copies of the behavior plan are given to both the staff and the parent once completed.
- 2.7.3 The plan is reviewed with staff and parents during a mutually agreed upon date but no greater than 30 days to determine plan progress and need for modifications. (billed under on-site consultation/TASK C)
- 2.7.4 Based on the recommendations in the behavior plan, the contractor also may prepare forms, submit information, and refer children for further evaluation to other community agencies within one week of the review of the child's plan. These referrals would be made through the Family Case Specialist unless the family and/or child are in crisis.

2.8 TASK E – PARENT CONSULTATION:

Contact with a family or families that addresses specific or general mental health concerns and may be conducted in the form of the following:

- 2.8.1 Attendance at a parent meeting to discuss general issues of mental/behavioral health, available community resources or specific questions parents may have.
- 2.8.2 Meeting one on one with a family to provide them with specifically requested information (either by handouts, resource and referral information or face to face technical assistance).
- 2.8.3 Contact with a family via face to face or telephone that allows the contract provider the opportunity to learn more about the child's behavior in order to complete the functional behavior assessment and understand possible causes for the child's behavior.

2.9 TASK F – STAFF AND PARENT TRAINING:

Trainings conducted as requested by the Special Needs Coordinator during specific staff training times.

- 2.9.1 Train staff on mental/behavioral issues as determined by the contractor and the Head Start Special Needs Coordinator during the annual pre-service (typically held in July).
- 2.9.2 Train staff on mental/behavioral issues as determined by the contractor and the Head Start Special Needs Coordinator during the annual mid-service (typically held in January).
- 2.9.3 Conduct other trainings for staff and parents as requested and time in contract allows.
- 2.9.4 Appropriate training topics will be determined during administrative planning times (TASK A).

2.10 BEHAVIORALHEALTH QUALITY ASSURANCE:

- 2.10.1 Satisfaction surveys will be conducted annually
- 2.10.2 All billings will be reviewed and reconciled on a monthly basis.
- 2.10.3 The contract will be monitored for compliance with county standards annually.
- 2.10.4 The MCHS Comprehensive Monitoring Tool (CMT) will be utilized to verify services are rendered in compliance with Federal Head Start Performance Standards.

2.11 REPORTING REQUIREMENTS:

- 2.11.1 Each classroom and Home Base visit must be recorded on the appropriate mental health form based on the type of visit (progress note, observation form, home assessment form etc.) and kept in the child's file in the classroom.
- 2.11.2 A Program Information Report (PIR) must be completed and submitted to the Contract Specialist annually on a form provided by the Department, by the date established by the Program Administrator.
- 2.11.3 Claims for reimbursement must be supported by documentation and contain the client's name, the cost incurred, date of service, unit of service, and therapist providing the service.

- 2.11.4 The contractor shall submit to the Special Needs Coordinator a monthly progress report by the tenth (10th) working day of the following month. The Department will provide the reporting format.
- 2.11.5 The contractor and all subcontractors performing under this Contract shall create and maintain client records, financial records, and all other documents and information relevant to this Contract and shall hold open such materials to inspection and review by the Department's official monitors or auditors for three (3) years. All the above may examine, copy, and make use of any and all said materials. A paragraph to this effect shall be placed in all subcontracts.

2.12 STANDARDS/LICENSURE REQUIREMENTS:

- 2.12.1 All services must be provided by professionals who meet the State requirements for certification and/or licensure, as well as meet all Day Care Licensing requirements for personnel (which include fingerprinting and a background check) and who have training and/or experience in the needs of young children ages 0-5. - 2.14.12 The provider shall assume the costs of fingerprint checks and may charge these costs to its finger printed personnel. The department may allow all or part of the costs of fingerprint checks to be included as an allowable cost in a contract.
- 2.14.13 Personnel who are employed by any provider, whether paid or not, and who are required or allowed to provide services directly to juveniles shall certify on forms provided by the Department and notarized whether they are awaiting trial on or have ever been convicted of any of the following criminal offenses in this state or similar offenses in another state or jurisdiction prior to the performance of any job duties by the employee which require or allow the employee to provide services directly to juveniles without supervision.
- Sexual abuse of a minor; incest; first or second degree murder; kidnapping; arson; sexual assault; sexual exploitation of a minor; contributing to the delinquency of a minor; commercial sexual exploitation of a minor; felony offenses involving distribution of marijuana or dangerous or narcotic drugs; burglary; robbery; a dangerous crime against children as defined in A.R.S. § 13-604.01; child abuse; sexual conduct with a minor; molestation of a child; manslaughter; aggravated assault.
- 2.14.14 The provider may avoid cancellation or termination of the contract if the person whose fingerprints or certification form shows that he has been convicted of or awaiting trial on an offense or similar offense as listed in this subsection is immediately prohibited from employment or service with the provider in any capacity requiring or allowing the person to provide services directly to juveniles without supervision.
- 2.14.15 The requirements of subsections 1 through 6 of this section do not apply to any personnel who are employed by a provider that has a contract for services to juveniles with or is licensed or certified by the Department of Health Services, The Supreme Court, or the State Department of Juvenile Corrections and who have been finger printed and submitted the required certification forms in connection with that employment.
- 2.14.16 Adult clients of a provider or licensee who are receiving treatment services are exempt from the requirements of this section, unless they provide services directly to juveniles without supervision. Volunteers who provide services to juveniles under the direct visual supervision of the contractor's or licensee's employees are exempt from the fingerprinting requirements of this section.

2.15 ESTIMATED SERVICE POPULATION:

- 2.15.1 Approximately 105 classrooms with 17 children/classroom. The “East Side” of the County has approximately 55 classrooms and “ West Side” 50 classrooms, which serve 2,368 children.
- 2.15.2 Estimated 200 total families (east and west sides) requiring services beyond the initial classroom observation with an approximate maximum caseload of 50 families per contractor at any given time during the service period.
- 2.15.3 Incidents of mental health in this population are similar to other populations in the Valley.

2.16 TAX:

No tax shall be levied against labor. Bid pricing to include all labor, overhead, tools and equipment used, profit, and any taxes that may be levied. It is the responsibility of the bidder to determine any and all taxes and include the same in bid price.

3.0 SPECIAL TERMS & CONDITIONS:

3.1 CONTRACT LENGTH:

This Invitation for Bids is for awarding a firm, fixed price purchasing contract to cover a three (3) year period.

3.2 OPTION TO EXTEND:

The County may, at their option and with the approval of the Contractor, extend the period of this Contract up to a maximum of three (3), one (1) year options. The Contractor shall be notified in writing by the Materials Management Department of the County’s intention to extend the contract period at least thirty (30) calendar days prior to the expiration of the original contract period.

3.3 RATE ADJUSTMENTS:

Rate increases will be determined by the Maricopa County Human Services Agency at the time of contract anniversary or renewal. In no case will the contract rate increase exceed the current the Producer Price Index (PPI) for the commodity. Rate increases are at the discretion of the County and are not guaranteed. Increases are subject to approval in writing by the Materials Management Department prior to any adjusted invoicing being submitted for payment.

3.4 EVALUATION CRITERIA:

The evaluation of this Bid will be based on, but not limited to, the following:

- 3.4.1 Compliance with specifications
- 3.4.2 Acceptance of pre-determined compensation/fee schedule.
- 3.4.3 Determination of responsibility

The County reserves the right to award in whole or in part, by item or group of items , by section or geographic area, or make multiple awards, where such action serves the County’s best interest.

3.5 FACILITIES:

During the course of this Agreement, the County shall provide the Contractor’s personnel with adequate workspace for consultants and such other related facilities as may be required by Contractor to carry out its obligation enumerated herein.

3.6 INDEMNIFICATION AND INSURANCE:

3.6.1 Indemnification.

To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the County, its agents, representatives, officers, directors, officials, and employees from and against all claims, damages, losses and expenses, including but not limited to attorney fees and costs, relating to this Contract.

The amount and type of insurance coverage requirements set forth herein will in no way be construed as limiting the scope of the indemnity in this paragraph.

The scope of this indemnification does not extend to the negligence of the County.

3.6.2 Insurance Requirements.

Contractor, at its own expense, shall purchase and maintain the herein stipulated minimum insurance with companies duly licensed, possessing a current A.M. Best, Inc. Rating of B++6, or approved unlicensed companies in the State of Arizona with policies and forms satisfactory to the County.

All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of the Contract is satisfactorily completed and formally accepted. Failure to do so may, at the sole discretion of the County, constitute a material breach of this Contract.

The Contractor's insurance shall be primary insurance as respects the County, and any insurance or self-insurance maintained by the County shall not contribute to it.

Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect the County.

The Contractor shall be solely responsible for the deductible and/or self-insured retention and the County, at its option, may require the Contractor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

The County reserves the right to request and to receive, within ten (10) working days, certified copies of any or all of the herein required insurance policies and/or endorsements. The County shall not be obligated, however, to review such policies and/or endorsements or to advise Contractor of any deficiencies in such policies and endorsements, and such receipt shall not relieve Contractor from, or be deemed a waiver of the County's right to insist on strict fulfillment of Contractor's obligations under this Contract.

The insurance policies required by this Contract, except Workers' Compensation, shall name the County, its agents, representatives, officers, directors, officials and employees as Additional Insureds.

The insurance policies required hereunder, except Workers' Compensation, shall contain a waiver of transfer of rights of recovery (subrogation) against the County, its agents, representatives, officers, directors, officials and employees for any claims arising out of Contractor's work or service.

3.6.2.1 Commercial General Liability. Contractor shall maintain Commercial General Liability insurance with a limit of not less than \$1,000,000 for each occurrence with a \$2,000,000 Products/Completed Operations Aggregate and a \$2,000,000 General Aggregate Limit.

The policy shall include coverage for bodily injury, broad form property damage, personal injury, products and completed operations and blanket contractual coverage including, but not limited to, the liability assumed under the indemnification provisions of this Contract which coverage will be at least as broad as Insurance Service Office, Inc. Policy Form CG 00 01 10 93 or any replacements thereof.

The policy shall contain a severability of interest provision, and shall not contain a sunset provision or commutation clause, or any provision which would serve to limit third party action over claims.

The Commercial General Liability additional insured endorsement shall be at least as broad as the Insurance Service Office, Inc.'s Additional Insured, Form CG 20 10 11 85, and shall include coverage for Contractor's operations and products and completed operations.

If the Contractor subcontracts any part of the work, services or operations awarded to the Contractor, Contractor shall purchase and maintain, at all times during prosecution of the work, services or operations under this Contract, an Owner's and Contractor's Protective Liability insurance policy for bodily injury and property damage, including death, which may arise in the performance of the Contractor's work, service or operations under this Contract. Coverage shall be on an occurrence basis with a limit not less than \$1,000,000 per occurrence, and the policy shall be issued by the same insurance company that issues the Contractor's Commercial General Liability insurance.

3.6.2.2 Automobile Liability. Contractor shall maintain Automobile Liability insurance with an individual single limit for bodily injury and property damage of no less than \$1,000,000, each occurrence, with respect to Contractor's vehicles (whether owned, hired, non-owned), assigned to or used in the performance of this Contract.

3.6.2.3 Workers' Compensation. The Contractor shall carry Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor's employees engaged in the performance of the work or services, as well as Employer's Liability insurance of not less than \$1,000,000 for each accident, \$1,000,000 disease for each employee, and \$1,000,000 disease policy limit.

If any work is subcontracted, the Contractor will require Subcontractor to provide Workers' Compensation and Employer's Liability insurance to at least the same extent as required of the Contractor.

3.6.3 Certificates of Insurance.

3.6.3.1 Prior to commencing work or services under this Contract, Contractor shall furnish the County with certificates of insurance, or formal endorsements as required by the Contract in the form provided by the County, issued by Contractor's insurer(s), as evidence that policies providing the required coverage, conditions and limits required by this Contract are in full force and effect. Such certificates shall identify this contract number and title.

3.6.3.2 Prior to commencing work or services under this Contract, Contractor shall have insurance in effect as required by the Contract in the form provided by the County, issued by Contractor's insurer(s), as evidence that policies providing the required coverage, conditions and limits required by this Contract are in full force and effect. Such certificates shall be made available to the County upon 48 hours notice.

BY SIGNING THE AGREEMENT PAGE THE CONTRACTOR AGREES TO THIS REQUIREMENT AND FAILURE TO MEET THIS REQUIREMENT WILL RESULT IN CANCELLATION OF CONTRACT.

If a policy does expire during the life of the Contract, a renewal certificate must be sent to the County fifteen (15) days prior to the expiration date.

3.6.4 Occurrence Basis.

All insurance required by this contract shall be written on an occurrence basis rather than a claims-made basis.

3.6.5 Cancellation and Expiration Notice.

Insurance required herein shall not be permitted to expire, be canceled, or materially changed without thirty (30) days prior written notice to the County.

3.7 PROCUREMENT CARD ORDERING CAPABILITY:

It is the intent of Maricopa County to utilize a procurement card that may be used by the County from time to time, to place and make payment for orders under the Contract. Contractors without this capability may be considered non-responsive and not eligible for award consideration.

3.8 INTERNET ORDERING CAPABILITY:

It is the intent of Maricopa County to utilize the Internet to place orders under this Contract. Contractors without this capability may be considered non-responsive and not eligible for award consideration.
